Dear Mr. Raphael,

Mr. Rubinstein has asked me to write you that he thanks you for your letter, but he is sorry that time does not permit him to have the opportunity of hearing you play. He has a tremendously heavy schedule of concerts, interviews, etc., and hopes you will understand, with his constant traveling that it is difficult to find the time to do the things he would like to do. He wishes you much luck, nevertheless.

Yours truly,

E. H. Clemans
