THE LIBRARY OF CONGRESS
WASHINGTON, D.C. 20540

MUSIC DIVISION

January 25, 1991

Dear Mrs. Rubinstein:

It was a great pleasure to receive your telephone call just before you returned to Paris.

I will plan to come to Paris to supervise the shipment of the materials to the Library of Congress, and I can do so at the time that will be most convenient to you. The Library will make all arrangements with a shipper we have previously engaged, and, of course, the Library pays all expenses related to moving the materials to Washington.

I will call you soon after February 1, after your visit to Poland.

With kindest regards,

James W. Pruett
